SeeSnake® HQ™ PC Software (Included)

The 8 GB USB drive included with your CS6Pak has HQ software preloaded. Install the included SeeSnake® HQ™ software onto your pc or laptop. Simply import your inspections from your CS6Pak monitor into SeeSnake® HQ™ via USB stick. Edit video and images, fill out detailed job reports, archive and deliver via print, DVD or online.

HQ can be installed on PCs running Windows 7, Windows 8, or Windows 8.1. The software is translated into 18 languages. Register your CS6Pak in HQ's Equipment Locker to receive updates.

For the complete selection of the RIDGID® product line, please refer to the RIDGID Catalog or www.RIDGID.eu.
